

# Why should I volunteer?

Every day, there are people who are over 60, disabled, or simply without resources that miss important medical appointments, go without food, or are socially isolated due to a lack of available transportation.

Have you ever wanted to give the gift of your time back to your community? This pamphlet lists and briefly describes the volunteer driving programs in the counties of Culpeper, Madison, Orange, Rappahannock and Fauquier. Please consider donating your time. You can make a tremendous difference in a person's life just by giving them a ride.
